PROFESSIONAL PROFILE

An award-winning filmmaker with 3+ years of experience in editing and assistant editing. An understanding of industry-standard editing software to enhance storytelling, pacing, and cinematic impact. Passionate about the art of post-production and committed to delivering high-quality content that elevates the director's vision. Seeking to further develop expertise in cinema editing and contribute to innovative film projects.

RELEVANT SKILLS

- 3 years of editing experience with Avid Media Composer, Adobe Premiere pro, and Final Cut Pro
- Exceptional organizational skills, detail oriented, creative, observant, collaborative team member
- Great communication and creative problem solving skills learned through the process of completing Sheridan Colleges Board Undergraduate Certificate in Creativity and Creative Problem Solving.

EXPERIENCE

Editor

"A Ticket Home" Documentary

2025

- Fulfilled roles of the assistant editor and picture editor
- Edited the project with Adobe Premiere Pro

Assistant Editor

"Domestic Fowl" Feature Film

2024

- Created project file in Avid Media Composer and synced audio and video
- Transcoded the footage to a lower resolution for an easier editing process
- went through all the footage and added notes describing the take

Editor

"Skin Deep" Short Film

2024

- Fulfilled roles of the assistant editor and picture editor
- Edited the project with Avid Media Composer

Editor

"Dialled In" Documentary

2023

- Fulfilled roles of the assistant editor and picture editor
- Edited the project with Avid Media Composer

Photographer/Videographer/Editor

Sterling Honda, Hamilton

2023 - 2025

- Filmed walk around tours of Sterling Honda's used cars with a gimbal and a Sony Alpha 700
- Wrote scripts highlighting the vehicle's features and recorded voice overs
- Synced video to audio with Adobe Premiere Pro
- Took pictures of the used cars, edited the pictures with Adobe Photoshop and uploaded to Sterling Honda's website (a strong attention to detail was essential to this process)
- Digital Media Content Creator, created posts to upload on social media (Facebook, Instagram and YouTube)
- Learned time management skills and how to properly communicate with my coworkers to meet deadlines

Videographer/Website Designer

Film Access Northumberland, Cobourg

2022 - 2024

- Filmed the highlights of the annual Eye2Eye International Film Festival
- Designed and managed website with Squarespace
- Designed social media posts targeted towards the community of Cobourg for Facebook, Instagram, TikTok and Twitter
